Vážený pane nebo paní,

jmenuji se Steven Schwartz a obracím se na Vás ohledně možnosti zaměstnání učitele anglického jazyka. Pracuji jako učitel angličtiny a mám 17 let praxe po celé České republice. Učil jsem angličtinu všechny věkové kategorie, od předškoláků po dospělé. Také jsem se zúčastnil mnoha kurzů o vzdělávání, bezpečnosti ve škole a třídního klíma.

Jsem kvalifikovaný učitel a jak můžete vidět níže, mám více než potřebné zkušenosti k naplnění jakékoliv dynamiky ve třídě.

Níže je můj úplný životopis. Kvůli stručnosti jsem nepřidal nespočet soukromých studentů a kurzů, které jsem od roku 2008 vyučoval.

Přikládám pár referencí kolegů.

S pozdravem

Steven Schwartz

Dear Sir or Madam,

My name is Steven Schwartz and I am contacting you in regards of possible future English teaching employment.

I have been continuously employed as an English teacher and I have 17 years of experience all over the Czech Republic. I have taught English to all ages, from preschoolers to adults. Also, I have attended many courses about education, school safety, and general well being for students in the classroom.

I am a qualified teacher and as you can see below and I have more than the experience necessary to fulfill any classroom dynamic that is needed.

Below is my full CV. Due to brevity, I didn't add the countless private students and courses that I have taught since 2008.

I'll leave you with some references of colleagues.

Take care and I look forward to hearing from you,

Steven Schwartz
